

Stimati colegi,

Datorita multiplelor cereri din partea viitorilor participanti, precum si pentru ca lucrarile in extenso (pentru cine doreste) vor putea fi trimise spre publicare pana in ziua de incepere a conferintei, Comitetul de Organizare al celei de-a IV-a editii a Conferintei NEW TRENDS IN ENVIRONMENTAL AND MATERIALS ENGINEERING (TEME 2017), a hotarat ca termenul limita de depunere a rezumatelor sa se prelungeasca pana pe data de 15 septembrie 2017.

Pentru detalii, puteti accesa site-ul conferintei: [www.teme.ugal.ro](http://www.teme.ugal.ro) sau ne puteti contacta la urmatoarea adresa de e-mail: [marius.bodor@ugal.ro](mailto:marius.bodor@ugal.ro)

O zi buna,

Dear colleagues,

Due to multiple requests from the future participants, and since the papers in extenso format (for whoever wishes) could be sent for publication until the beginning day of the conference, the Organizing Committee of the IV<sup>th</sup> edition of the International Conference NEW TRENDS IN ENVIRONMENTAL AND MATERIALS ENGINEERING (TEME 2017), took the decision to extend the deadline for the abstract submission until the 15<sup>th</sup> of September 2017.

For details, you can access the conference website: [www.teme.ugal.ro](http://www.teme.ugal.ro), or you can write to the following e-mail address: [marius.bodor@ugal.ro](mailto:marius.bodor@ugal.ro)

Best regards,

Assistant Professor PhD. eng. Marius BODOR
