Extra CIVIS Language café - #ErasmusDays

AMU colleagues propose to involve CIVIS students in their special online language café to take place in the framework of the 6th edition of the #ErasmusDays **on 13th October 15h-16h.**

Having a couple of students from each CIVIS member could be a nice opportunity for the Alliance, especially during an event dedicated to the celebration of the Erasmus+ programme.

The contact for interested students is: marco.CAPPELLINI@univ-amu.fr (member of Multilingualism TF)

NEW - Call UNI-T

The UNI-T Erasmus+ project which involves 5 CIVIS members (AMU, NKUA, UT, ULB and SUR) has launched a series of two consecutive calls for proposals targeted to school actors wishing to work

with another European country in collaboration with researchers.

It aims to support 10 collaborative action-research projects led by members of the consortium and schools, from at least 2 countries. Selected projects will receive 10K€.

- **1st Call: 15th September - 22nd October 2022**

[Reminder] Call - IMéRA

This is a kind reminder about the IMéRA (Institute for Advanced Study of Aix-Marseille University) call for application which opens up 11 resident fellowships targeting CIVIS scientists and/or artists.

Selected applicants will have the chance to stay 5 or 10 months at the IMéRA for the year 2023-2024.

This could be an opportunity for members and African partners of the Alliance, as discussions have already been started between other institutes for advanced study from CIVIS members universities, and subjects of the chairs often echo those of the CIVIS Hubs.
