BIPs - opening of student applications

From **15th September to 30th October**, we are opening the applications to 37 new CIVIS BIPs.

Be ready for the communication campaign to be launched both at alliance and university level.

Recruitment campaign targeting students but most of all teachers is key to ensure widespread student participation in our BIPs. As a reminder, this hybrid mobility scheme requires the effective participation of a minimum of 15 students per program in order to benefit from the mobility and organizational funding. We owe this to our dedicated BIPs programme coordinators!
