

Interdisciplinary School of Doctoral Studies

invites you to the presentation of

Research grants offered by the Alexander von Humboldt Foundation

to be held by

Luisa Rath

representative of the foundation

On the occasion of the visit of the Secretary General of the Alexander von Humboldt Foundation at the University of Bucharest, you are invited to the presentation of the research programs and scholarships in Germany, offered by it for international academic exchange. The programs are aimed at researchers at different stages of their academic career. Are funded individuals but not research projects, regardless of country of origin and scientific field. Applications can be submitted online at any time of the year. There are no quotas for countries or disciplines. The candidacies of men and women are equally encouraged. Knowledge of the German language is not mandatory. The presentation will cover the selection criteria and benefits associated with the prestigious Humboldt Fellowship.
