

EU TalentOn Brest 2026 - European competition for early-career researcher

I am reaching out as part of the organizing team of **EU TalentOn Brest 2026**, a scientific competition that will take place in Brest, France (7–11 September 2026), bringing together 100 early-career researchers from across Europe. Participants will work in multidisciplinary teams on key societal challenges aligned with EU priorities - such as climate change, cancer, ocean, cities, soil - and present innovative solutions in a dynamic competition format.

Applications are open until **30 April** via the following link: <https://eutalenton.awardsplatform.com/>. The competition offers a total prize fund of **€80,000**, including a **€12,000 Grand Jury Prize**. All participation costs (travel, accommodation, and meals) are fully covered for the duration of the event.
